

District of Columbia
2014-2015
Leaf Collection Program

The Department of Public Works will collect leaves from November 3, 2014 through January 10, 2015. DPW uses vacuum trucks to collect the bulk of the leaves, which are then composted. We urge residents to follow the schedule detailed in this brochure when planning to rake loose leaves into piles in the treebox space for collection. DPW will collect bagged leaves from the treebox space. In neighborhoods with alley trash/recycling collections, bagged leaves also may be placed where trash and recycling are collected. These leaves will be disposed with the trash as space allows in the truck.

Tips for a Smooth-Running
Leaf Collection Season

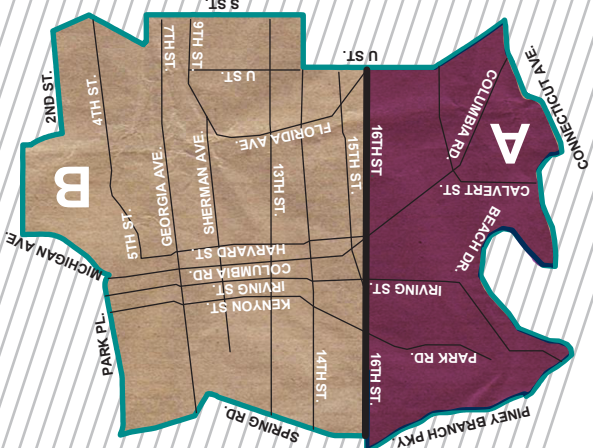

Review the schedule in this brochure for your street's collection weeks. Rake leaves into the treebox space by the Sunday your next scheduled leaf collection week. Please – leaves only! Tree limbs, bricks, dirt, rocks, etc., will damage the equipment and delay collections. Prevent fires and parking problems by placing leaves in the treebox space, not in the street.

Leaf Collection Facts

Every street will have at least two collections. During the first pass, crews will vacuum loose leaves from the treebox space, collect bagged leaves, and clear potentially hazardous situations. The second pass features a more thorough cleaning. Collections will be made on Veterans Day (Tuesday, November 11th) and Thanksgiving Day (Thursday, November 27th). No collections will be made Christmas Day (Thursday, December 25th) or on New Year's Day (Thursday, January 1st).

Snow and ice events will disrupt the
leaf collection schedule because
DPW leaf collection staff support the
Snow and Ice Control Program.
Expect schedule delays when
snow/ice storms are predicted.

Prevent water pollution

 Keep catch basins clear of loose leaves, debris and trash. Clogged catch basins (storm drains) can cause increased street flooding during heavy rain. Please do not sweep leaves or sidewalk litter into gutters or catch basins. Organic material, cigarette butts, and trash washed into catch basins contribute to water pollution. To report a clogged catch basin, please call DC Water at 202.612.3400. Properly dispose of motor oil and other hazardous materials. Do not dump these items into the catch basins to prevent polluting our waterways and harming wildlife. Bring these or other household hazardous waste items and your unwanted electronics to the Fort Totten Trash Transfer Station (address above) every Saturday, except holidays, from 8 am to 3 pm.

2015 Holiday tree pick-up

 Place holiday trees and wreaths next to your trash container at your regular collection point. Trees collected between December 28 - January 10 will be recycled. After January 10 trees will be collected with your trash as space allows in the trash trucks.
